

# How to manage your Jigzi subscription:

## Check your account details

1. Once you have signed up, you can check your account details by clicking **Account** from the pull-down menu you see when you click your name on the top right of the screen.

2. Click **My current plan** in the left-hand panel.
3. You can now see the plan that you chose, the credit card you are paying with and when the trial will end. If you need to change any of the details, or to cancel your plan, click the **Manage my plan** button, and make your changes there.
